**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am hearing that the FCC thinks there are no UNE customers as consider important decisions in coming weeks. I am a UNE service user and many of my neighbors are too with SONIC. As a result of switching to fiber optic from cable (which is 35-year-old technology BTW), my service is much more consistent with fewer outages and speed is greatly increased. All this for less money. Please do the right thing for American consumers.
